Personal Profile

As a BE Computer Science student with a strong foundation in programming and web development, I am eager to apply my skills to real-world projects. I thrive in solving complex technical problems and am excited to contribute to innovative solutions in a fast-paced, collaborative environment.

Education

- **Bachelor of Engineering in Computer Science Engineering (AI & ML)**, Neil Gogte Institute of Technology, Hyderabad, India (Oct 2022 - Present)
  - CGPA: 9.03
  - Courses: Database Management Systems, Automata Theory and Compiler Design, Digital Electronics, Software Engineering, Data Structures and Algorithms, Web Development, Object Oriented Programming, Introduction to Machine Learning
- **Intermediate Board of Education**,Narayana Junior College, Hyderabad, India (May 2022)
  - Major: MPC(Maths,Physics,Chemistry)
  - Percentage: 96.9
  - JEE Mains Score: 92.3 percentile
- **High School**, Sri Chaitanya Techno School, Hyderabad, India (Apr 2020)
  - Passed with Distinction

Skills

- **Programming:** C, Python, JAVA, SQL
- **Web Development:** HTML, CSS, JavaScript, ReactJS, NodeJS, ExpressJS, MongoDB
- **Tools:** Git, VS Code, Windows

Projects Developed

- **Automated Recipe Generator** (March 2024 - August 2024)
  - Collaborated with a team of six to design and develop an automated recipe generator. Fine-tuned a Large language model (LLM) with large-scale, real-time datasets to optimize NLP performance for text generation. Developed an interactive user interface using React for a seamless user experience.
- **Travel Itinerary** (Oct 2023 - Jan 2024)
  - Developed a chatbot with Gemini which creates a travel itinerary based on the prompt given by the user.
- **Exercise Counter** (Oct 2023 - Jan 2024)
  - Developed an exercise counter application that tracks different exercises and the number of reps completed each day. It summarizes the daily workout data, providing an overview of the total reps done. The app helps users monitor their progress efficiently.

Achievements

- Project Completion certificate for the second-year "Project School" program at Neil Gogte Institute of Technology
- Participation and selection certificate for Round 2, the 24-hour Hackathon named "KRITHOATHON 2.0" in VNR college

Languages

- **English:** Professional proficiency
- **Telugu:** Native proficiency
- **Hindi:** Conversational proficiency

Interests

- Cooking: I enjoy experimenting with various cuisines.
- Movies and Sports: I have a strong interest in watching movies and playing cricket.
- Reading: Enjoy mystery and thriller novels.
